Public review of proposed changes to the 2020 National Model Codes – Fall 2023

The Canadian Board for Harmonized Construction Codes (CBHCC) invites code users, stakeholders, and members of the public to participate in the fall 2023 public review of proposed changes to the 2020 National Model Codes.

This national public review takes place from October 23 to December 18, 2023.

Ontario stakeholders are encouraged to participate in this review, as the outcomes of the consultation will be considered in the development of future proposed amendments to the Ontario Fire Code.
