

The following Sample Approval Letter is being provided to Ontario Fire Services to support their Fire Service Approval of a Level 2 RSMP as stated in O. Reg. 211/01. The fire service can cut and paste the information into their letterhead document and edit as they deem appropriate.

***SAMPLE APPROVAL TO BE ON FIRE SERVICE LETTERHEAD***

**APPROVAL OF LEVEL 2 RISK AND SAFETY MANAGEMENT PLAN –  
Subsection 27.1(1) of Ontario Regulation 211/01 as amended, made under the  
*Technical Standards and Safety Act, 2000***

This approval is made for the purpose of subsection 27.1(1) of Ontario Regulation 211/01 as amended, and for no other purpose. The approval relates to documents entitled [*insert relevant identification details, such as a title and date, that describe the material that was reviewed*], and received [*insert the date of material receipt*].

This approval is provided by [*insert name of fire service granting the approval*], a fire service as defined in Ontario Regulation 211/01 as amended, which is responsible for the area where [*insert name of the referenced facility that is the subject of this approval*] (the “Facility”) is located.

In accordance with subsection 27.1(2) of Ontario Regulation 211/01 as amended, the above-named fire service hereby approves all components of the risk and safety management plan for the Facility that address fire safety, fire protection and emergency preparedness.

Address of the Facility:

Indicate type of Facility (retail outlet, filling plant, cardlock/keylock, private outlet or container refill centre):

List whether approval is for a new application for a licence, an application for the renewal of a licence occurring in the first year after subsection 27(2.1) of the Regulation comes into force or an application for a modification of the Facility

Date of Approval:

Name and Title of Authorized Representative of the Fire Service:

Signature of Representative of the Fire Service:
