Re: Staffing Announcement – Deputy Fire Marshal Carrie Clark

It is with mixed emotions that I share that Deputy Fire Marshal Carrie Clark has accepted an opportunity with East Gwillimbury Fire and Emergency Services. Carrie's last day with the Office of the Fire Marshal (OFM) will be September 11, 2026.

During her time with the OFM, Carrie provided strong leadership across several key program areas and played an important role in advancing major provincial initiatives, including the Fire Protection Grant, the latest edition of the Ontario Fire Code and its French translation, and Simultaneous Notification. Her collaborative approach and strong relationships with municipal fire departments, stakeholders, and partners helped advance priorities that support safer communities across Ontario.

On behalf of the OFM, I would like to express my sincere appreciation to Carrie for her many contributions, her dedication to the fire service, and her commitment to serving the people of Ontario. Her leadership and willingness to step forward whenever needed have left a lasting impact.

Please join me in thanking Carrie for her service and in wishing her every success in her new role with East Gwillimbury Fire and Emergency Services.

Sincerely,

Jon Pegg
Ontario Fire Marshal
