

OFMEM Grandfathering:

The dates to re-open the Grandfathering for those departments that missed the opportunity have not yet been finalized. However, the process and eligibility criteria will remain the same.

We will certainly issue a communication from our office once the details have been confirmed. We anticipate that the timelines will be shorter and I recommend that departments that are looking to participate this time, review the policy (link below) and prepare the required paperwork.

Please do not hesitate to contact me if you need anything else.

Thanks
